Flexispy

A screenshot of the Flexispy website showing two pricing options: Premium and Extreme. The Premium package is described as "Choose PREMIUM for all around monitoring of mobile activities. Gives you more features than any of our competitors." It has a starting price of \$68 per month. The Extreme package is described as "Only for the most demanding detectives, EXTREME adds monitoring and recording of all audio streams and other amazing discovery tools." It has a starting price of \$199 per quarter. Both packages list various features and subscription options (1, 3, and 12 months). At the bottom, there are four icons with text: "You will need physical access to the device.", "iPhone requires jailbreak, Android may require rootlog", "Check here to see if your device is compatible.", and "Click here to view our refund policy."/>
